

# World Dairy Innovation Awards 2015

## Winners and finalists in World Dairy Innovation Awards announced

Last night the annual World Dairy Innovation Awards took place at the Koepelkerk in Amsterdam as part of the 9<sup>th</sup> Global Dairy Congress.

The judging panel considered almost 220 entries from 30 countries in 18 categories.

“We saw a fantastic range of products this year as innovation continues to ignite consumers growing interest in dairy” said FoodBev Media’s Bill Bruce. “We also saw an increased number of entrants from Asia and Africa representing the healthy dairy market now present in these regions.

“The awards are a great way to keep up to date with the industry’s best innovation across the globe the key players and some of the world’s most exciting start ups. It’s a great celebration and highlight’s company successes in the areas of finished products, marketing, manufacturing, ingredients and importantly, commitment to CSR.”

All entries feature in a special Awards Showcase magazine, which will be distributed with issue 62 of *Dairy Innovation* magazine and available as a digital edition. If you would like to subscribe to Dairy Innovation or receive a copy of the showcase magazine please email [subscriptions@foodbev.com](mailto:subscriptions@foodbev.com)
